Band Bio (short)

Noise For The Voiceless is a **rapcore band** from **Berlin**, blending heavy guitars, furious shouts, hip-hop beats and politically charged lyrics.

Fronted by non-binary shouter Anny and PoC rapper Josh, the band draws from real-life experiences to speak out **against discrimination, racism and sexism** while giving marginalized communities greater visibility and a voice.

In their young career, they've released a single featuring **Chris Bass** of **Heaven Shall Burn** and supported US-Bands **H2O**, **Deez Nuts**, **Downset** and **House Of Protection**.
